Free Will service

Making a will gives peace of mind that your wishes will be followed and the people you care about will be looked after. Our Free Will Service makes it simple and accessible, with trusted options to suit your needs.

Free Will Service

Making a will is one of the most important things you can do to protect your loved ones and plan for the future. Leukaemia Care has partnered with three professional will writing organisations to offer a Free Will Service.

There is no obligation to leave a gift to Leukaemia Care. Many people choose to do so after providing for their family and friends, but the choice is always yours.

> Using the Will writing service was straightforward and stress-free. I was given a list of local solicitors who used the Free Will scheme. The solicitor I chose was able to visit me at home to write the Will and visited again to have it signed and witnessed.
