### Hear from one of our recent winners

At 78, I didn't think I'd be travelling to India, but thanks to the Leukaemia Care Lottery, that's exactly what I've done.

I was lucky enough to win recently and put it towards a trip back to somewhere that's always meant a lot to me.

Here's a photo from my holiday. I feel incredibly grateful, not just for the win, but for being able to support others affected by blood cancer. It's a cause close to my heart, after losing my mum to the disease.

Every ticket really does make a difference
