Donate

Every donation, no matter the size, helps us support people affected by leukaemia, MDS and MPN. Your gift helps us provide information, fund our Helpline, welfare and counselling services. It means we can run support groups and other peer-to-peer support activities. It also enables us to campaign for better awareness, and so much more.

By giving a small amount each month, you provide steady, reliable funding for our services. This means we can answer calls, offer practical help, and support people through diagnosis, treatment and beyond.

Why regular giving matters

Regular gifts help us to:

- keep our support services running day to day
- reach more people who need information and reassurance
- plan for the future with confidence
- spend less time fundraising and more time supporting people

Even a small monthly donation can make a real difference over time.

Flexible and in your control

You can change or stop your regular donation at any time. There is no long-term commitment, and we will always respect your wishes.

If you are a UK taxpayer, you can also add Gift Aid to your donation, at no extra cost to you. This helps your support go even further.
