Payroll giving

Payroll Giving lets you donate directly from your salary before tax is taken. This means your donation goes further at no extra cost to you.

> **For example, if you donate £10 a month, it only costs you £8 if you are a basic rate taxpayer.**

How to sign up for Payroll Giving

Ask your HR or payroll team if your employer is registered for Payroll Giving. If they are, they will give you a form to complete. You will need the following details:

- Charity name: Leukaemia Care
- Registered charity number: 1183890 (England and Wales), SC049715 (Scotland)
- Address: Leukaemia Care, One Birch Court, Blackpole East, Worcester, WR3 8SG
- Contact: fundraising@leukaemiacare.org.uk or 01905 755 977

If your employer is not registered, they can sign up through a Payroll Giving Agency, such as:

- **Charities Trust**
- **Charitable Giving**
- **CAF**

Shopping online

You can support us while you shop, at no extra cost to you. Sign up with Give as you Live and choose Leukaemia Care.

How it works:

- Shop with thousands of retailers
- A percentage of what you spend is donated to us automatically

Matched giving
